

See Open Machines From Your Room!

The One Tap Away app allows you to see how many machines are open before you head to your laundry room. You can find this under "See All On-Site Machines".

Set Up Machine Availability in 3 Easy Steps:

- 1 **Download** the One Tap Away app and create an account.
- 2 **Go** to your laundry room, turn on Bluetooth, and open the app.
- 3 **See** how many washers and dryers are available under "see all on-site machines".

Download the One Tap Away app today!
